Narrative

From correspondence to NCGR-Davis, 4/2/1986: There were at least a dozen different numbered selections of capri seedlings by Maslin, many of them since named. This cultivar is much like Maslin 150, but the mature fruits are palatable.

Source History

- Type: Collected. Date: Feb-1986. From: California, United States.
Locality: Collected in Orosi from the farm of Mr. Bob Butler.
Cooperators:
 1. [Kennedy, C., California Rare Fruit Growers](#).
- Type: Donated. Date: 26-Mar-1986. From: California, United States.
Cooperators:

1. [Butler, B.](#)

Comment: Donated to NCGR, Davis.
