- I use my private computer to logon (= logon forever or logon until explicit logout)
 I use a shared computer to logon (= logon until the browser is closed or logon until explicit logout).

I do not have a password, or I forgot my password, please mail the password to me
(complete E-mail or User number (membership number), mark the checkbox, and click on Login).

- **ISHS MEMBERS** login using your e-mail address and password (first time users receive their password by clicking the password by e-mail option). If however your e-mail address is not included in the ISHS membership database, contact the [ISHS secretariat](#) first.
- **NON MEMBERS** use our online [Membership Application Service](#) (secure site using online Credit Card payment), or [buy credits](#) to download full text Acta Horticulturae articles.

After login you can download the full-text version of the following article:

ISHS Acta Horticulturae 480: I International Symposium on Fig

ANATOMICAL CHARACTERIZATION OF SARILOP (CALIMYRNA) FIG CULTIVAR IN PICTURES

Authors: A. Tanrisever, E. Özeke, M. Isfendiyaroglu

Keywords: Fig, anatomy, fruit, shoot, flower

Abstract:

The microtome sections cut from various organs and tissues of the Sarilop (Calimyrna) fig cultivar were examined in this study. Development of shoot tips, flowers and fruits, microscopic characteristics of cortex, phloem, cambium, xylem and pith tissue were determined. Findings are displayed with photographs.
