Organic Conadria Figs

These figs are noted for their delicious, nut-like flavor and tender, golden skin. A popular favorite for eating out of hand.
May be used in fig bars and pastes. Preservative free.

- *Storage: Easily kept for reasonable periods of time. Best if kept in an air tight container at a maximum temperature of 45 degrees F (7 degrees C). May tend to sugar and darken in color (this is a natural process).*
