[joesabol](#)  **says:**

Who cut all the figs in half so nicely? Looks like a GREAT tasting event at Wolfskill!!!

[Spidra Webster](#)  **says:**

I don't know. The food was presented in a very visually pleasing way. Too bad we didn't have a professional food photographer around to take pictures for The Fruit Gardener. That "Santa Cruz Dark" in front was one of my favorites while most others from the Golden Gate chapter were nuts about "Zidi".
