

Brown Turkey Fig Tree

Item #4010

Medium to large and elongated fruit with brownish maroon skin. Fine grain, sweet, juicy, firm, meaty flesh. Sugary rich flavor. Excellent for jams, canning, drying, or eating fresh. Handsome, low bushy plants grow 10' tall. Self-pollinating. Selected for winter hardiness and fruit quality. Tree must be covered where temperatures drop below 10 degrees F. Ripens in July.

Sale price is \$8.00 each.
