My Nana, Pennsy Dutch, used to make little nutcup cookies once a year. A bit dry but wonderful. I ate most of them and she was happy. The others kind of ignored them.

I'll pass on the lard

[patricemarie57](#) (3 weeks ago) [Reply](#) +1

Lard is actually better for your health than Crisco or any fully hydrogenated fat. Taste of it alone is nothing much, but makes a huge difference in the final product!!
